

Ed Martin
President and Chief Executive Officer

Ed Martin is the President and CEO of Nalcor Energy. Ed is a graduate of Memorial University of Newfoundland and the University of Calgary. He has 25 years of experience in onshore and offshore oil and gas with Mobil Oil, Hibernia Management and Development Company and PetroCanada.

Ed joined the company in 2005. He is leading Nalcor Energy in a new direction focused on safety leadership, operational excellence, performance and growth. He currently serves as a Board member of the Canadian Electricity Association and an Advisory Board member for Memorial University's School of Business. He is also a founding member of the Newfoundland and Labrador CEO Safety Charter.
